Fellow Notes:

* *initial pledge complete*

“When viewing a list of Fellows, Sustaining Fellows and Benefactor Fellows you will notice that all those who participate are leaders of the Bar and leaders of their communities. Fellows are lawyers that people look up to and admire. Why? Because in many ways, they demonstrate the best our profession has to offer. They care enough to give of their time and their funds to support programs that benefit, among others, children, the elderly and those who are in need of legal help but who have no means to obtain it without assistance.” 2005 OBF President Judy Hamilton Morse, Oklahoma City

Thanks for your continuing support!

*Fellows joining after December 1, 2005
are not included.*
