Dear Mr. Rose:

Thank you and the Young Lawyer Division for your work with the "Wills for Heroes" program. Oklahoma City's police officers, firefighters, and paramedics dedicate their lives to serving our citizens. It is comforting to know that someone is looking after the interests of the families of those first responders who put their lives on the line.

Your work ensures that, in the future, the families of those heroes will have one less hardship in the event of a tragedy.

Once again, thank you for your valuable work.

Sincerely,
