

2018 OBA Solo & Small Firm Materials and Forms Available for Purchase

Did you miss the 2018 OBA Solo & Small Firm Conference? Now you can purchase the materials and forms for only \$50.

Normally, the SSF Conference materials are only provided to conference attendees. But this year the conference featured six speakers who spoke at ABA TECHSHOW 2018, along with a large collection of probate forms and several LLC operating agreement forms. So, we decided to make the materials available to all OBA members.

There is something for most everyone. Professor Robert Spector spoke on Recent Developments in Family Law and Understanding the Uniform Child Custody Jurisdiction Act (UCCJEA). There are several papers on virtual law practice, using client portals and limited scope services. Frank A. Urbanic provided an extremely detailed paper on Improving Efficiency & Reducing Waste In a Law Firm with Lean Six Sigma. Chelsey Lambert spoke on Marketing, Law Firm Website Design and How to Write for the Web. Shane Henry & Aaron Bundy taught "Get It In. Keep It Out – Evidence & Objections." OBA President-Elect Charles W. Chesnut's Just a "Simple Probate" provided many forms as did Mark Robertson's program Drafting LLC Operating Agreements. Natalie Kelly taught Who's Minding the Store? Financial Management Best Practices for the Business of Law

And you wouldn't want to miss the 2018 version of 60 Tips in 60 Minutes.

These forms are available until the end of the year in either Word or WordPerfect Format, so note your preference when your order is placed. The materials are in PDF format.
