July 2020 Oklahoma Bar Examination)

At this time, the Oklahoma Board of Bar Examiners does plan to proceed with the administration of the July 2020 bar examination on the scheduled dates of July 28-29, 2020. While the Board recognizes the unprecedented situation applicants for the July 2020 Oklahoma Bar Examination face due to the COVID-19 pandemic, the Board is committed to having the July 2020 bar examination administered as scheduled to avoid delays in licensing if at all possible. The Board will continue to monitor the situation to ensure the exam can be administered in compliance with CDC guidelines and public health directives and restrictions in Oklahoma City and the State of Oklahoma to protect the health and safety of the examinees and the exam administration staff.

Notice of exam administration conditions, to include temperature checks, social distancing and the wearing of masks, will be provided via email to all registered examinees as soon as possible after the final exam application deadline of May 15, 2020. All registered examinees must sign a Code of Conduct Declaration that they will comply with the conditions of administration of the examination.

Any registered July 2020 examinee who does not wish to take the July 2020 examination for whatever reason may request their fees be deferred to the next available exam administration with no penalty.

Done this 8th day of May, 2020.
