The Legal Intern Coordinator, in consultation with the Chair if necessary, may informally respond to all questions, unless they are covered by paragraph B of this Regulation. The inquiry and/or response may be oral unless any participant in the inquiry requests that it be in writing.
- (B) If the Legal Intern Coordinator or Chair believes at any stage that the inquiry raises an issue not covered by existing Rules, Regulations or Rule interpretations, or raises an ambiguity in the existing Rules, Regulations or Rule Interpretations, or if the person making the inquiry is not satisfied with the informal response and requests in writing that the question be considered further, the question shall be placed on the agenda of the next meeting of the Legal Internship Committee for consideration. The Committee may affirm the response of the Legal Intern Coordinator, direct the Legal Intern Coordinator to make a different response, issue a formal Rule Interpretation, revise the Regulations, or recommend amending the Rules.
- (C) If the Committee issues a formal Rule Interpretation or revises a Regulation, a copy of the Rule Interpretation or revised Regulation shall be provided to each law school, the person making the inquiry, and all current Licensed Legal Interns and supervising attorneys. It shall also be published in one issue of the Oklahoma Bar Journal and on the OBA website. Formal Rule Interpretations and revised Regulations shall control unless changed by the Oklahoma Bar Association Board of Governors or the Oklahoma Supreme Court. An annual summary of formal Rule Interpretations and revised Regulations shall be transmitted to the OBA Board of Governors no later than August 1 of each year, including all formal Rule Interpretations and revised Regulations from July 1 of the previous year to June 30 of the current year. After review by the Board of Governors, the report shall be transmitted to the Oklahoma Supreme Court by September 1 of that year.
- (D) If the Committee recommends a revision to the Rules, the proposed revision shall be submitted in writing to the next meeting of the OBA Board of Governors for consideration. Upon approval of the Board of Governors, the proposed revision to the Rules shall be sent to the Supreme Court of Oklahoma for consideration. Proposed revisions to the Rules are not effective until adopted by Order of the Supreme Court of Oklahoma. After approval by the Supreme Court, the revised Rule shall be provided to all participants in the Legal Internship Program and published in the Oklahoma Bar Journal.

REGULATION 2 DEFINITION OF "IN COURT" PRACTICE EXPERIENCE

- (A) Licensed Legal Interns subject to Rule 7.2 who are participating in an approved law school internship program may accumulate "in court" practice experience throughout a law school semester as long as the total "in court" practice experience hours required during a semester is equivalent to at least four (4) hours per month considering the number of months in a semester. (Adopted by Committee April 11, 2017; Change Contingent on Supreme Court Approval of Amendment to Rule 7.2; Amended February 26, 2018, Amended March 3, 2022)
- (B) Stricken by Legal Intern Committee, April 11, 2017.
- (C) The definition of "in court" practice experience includes (See Interpretation 2020-1):

1. Actual participation by the Licensed Legal Intern in a courtroom proceeding in Oklahoma. However, it must be remembered that under the Legal Internship Rules, the Licensed Legal Intern is not authorized to actually participate in Federal Court proceedings unless an individual judge grants permission or a Rule of the Federal Court permits such practice.
2. Actually observing the Licensed Legal Intern's supervising attorney or other qualified substitute supervising attorney in a courtroom proceeding. The Licensed Legal Intern may observe courtroom proceedings handled by his or her supervising attorney in Federal Court and courts in other states.
3. Actual observation of an attorney other than the supervising attorney or a qualified substitute supervising attorney only if:

(a) the attorney being observed meets the qualifications of Rule 3.1(a)(b) & (c); and

(b) the supervising attorney or a qualified substitute supervising attorney is present.

This observation may be in Federal Court and the courts of other states.

4. Participation by the Licensed Legal Intern or observation of the Licensed Legal Intern's supervising attorney or other qualified substitute supervising attorney shall satisfy the "in court" practice experience requirement under the following circumstances even though the proceeding does not necessarily occur in a courtroom:
 - (a) Judges chambers proceedings - with the judge and opposing counsel present. For example, a pre-trial conference or settlement conference before a judge, even if not conducted in the courtroom. Time spent in the courthouse negotiating/discussing with opposing counsel concerning the matters to be raised at the pre-trial conference or settlement conference will be considered "in court" practice experience when they occur in conjunction with a scheduled hearing, but a conversation that ensues at a meeting that is not held in conjunction with a hearing would not be considered in-court time. (Revised December 15, 2020)
 - (b) Ex parte proceedings - only for the amount of time the Licensed Legal Intern's case is before the Judge and only in conformance with Rule 7.6(b)(4). For example, obtaining a signature approving a motion to enter or authorizing publication notice or a temporary restraining order generally would only provide brief opportunities to accumulate "in court" practice experience.
 - (c) Taking or defending depositions. (Revised April 11, 2017)
 - (d) Motion, arraignment, or other sounding dockets - only when the Licensed Legal Intern's case is on the court's docket. While the Licensed Legal Intern is waiting for his or her case to be called, time spent watching other attorneys argue their cases may be counted to satisfy the "in court" practice experience requirement. (Revised by Committee May 4, 2017)
 - (e) Administrative hearing body - only when the hearing officer or a member of the hearing panel is an attorney and the proceeding is adjudicative in nature. For example, administrative hearings that would provide "in court" practice experience include those hearings before: Corporation Commission, Oklahoma Tax Commission, Department of Public Safety, Social Security Administration, and Employment Security Commission. On the other hand administrative hearings that would not provide "in court" practice experience include those hearings before: City Council and City Planning Commissions. (See Interpretation 2016-1.)
 - (f) Asset hearings - including all time the Licensed Legal Intern spent questioning a witness whether or not the judge remains present for the entire hearing.

- (g) Tribal Court proceedings.
 - (h) Up to two (2) hours per month of drafting pleadings and motions that are subsequently filed in substantially the form prepared by the Licensed Legal Intern.
 - (i) Settlement conferences, mediations, and arbitrations conducted by attorney mediators/arbitrators/settlement judges are considered “in court” practice experience. (See Interpretation 90-1.)
 - (j) 341 Hearings of Creditors in U.S. Bankruptcy Courts are considered “in court” practice experience. (See Interpretation 98-1.)
5. Unless Regulation 2(c)(3) applies, observation of an attorney who is not the Licensed Legal Intern’s supervising attorney or other qualified substitute supervising attorney shall not satisfy the “in court” practice experience requirement.

SUMMARY OF LEGAL INTERNSHIP RULE INTERPRETATIONS

The following is a summary list of Legal Internship Interpretations that have been adopted by the Legal Internship Committee pursuant to Regulations. A complete copy of each rule interpretation is available at the Oklahoma Bar Association.

- 89-1 Under Rule 7.6(b)(4), it is permissible for a Licensed Legal Intern to handle, without a supervising attorney present, the prosecution of a Motion to Confirm Sheriff's Sale. (Adopted November 16, 1989; Amended April 17, 2008)
- 90-1 "In court" practice experience includes out of court arbitration only when the arbitrator is an attorney and the decision is binding on all parties. Court sponsored arbitration is within the definition of "in court" time. (Adopted November 15, 1990)
- 91-1 Under Rule 8.1(b), a Licensed Legal Intern employed by the State of Oklahoma and representing an agency of the State of Oklahoma is required to file an appropriate affidavit indicating permission of the state agency being represented. The Licensed Legal Intern should obtain authorization to represent the state agency from the director or someone with authority within the state agency and his or her supervising attorney. (Adopted August 1991)
- 91-2 Under Rule 7.6(c), a Licensed Legal Intern handling a jury trial in an involuntary commitment/mental health hearing must appear only with a supervising attorney present. (Adopted November 8, 1991)
- 91-3 Under Rule 8.1, a Licensed Legal Intern may act on behalf of a client only after permission of the client has been obtained by the supervising attorney. Since Rule 8.1 allows for no exception, consent is required even if a supervising attorney determines that no substantive representation is involved in a court appearance. (Adopted November 8, 1991)
- 96-1 Rule 6.1, in conjunction with Rule 1.1, means that if a Licensed Legal Intern is not admitted to the Oklahoma Bar following the Oklahoma Bar Examination immediately subsequent to the Licensed Legal Intern's graduation from law school, that Licensed Legal Intern's limited license automatically terminates pursuant to Rule 6.1. (Adopted March 29, 1996)
- 96-2 Rule 7.6(c) requires that a Licensed Legal Intern be accompanied by his/her supervising attorney when appearing in guardianship proceedings, whether contested or uncontested. (Amended June 21, 2017)
- 97-1 For purposes of Rule 7.6, mediations and arbitrations are "stages" of a civil matter. Therefore, if the amount in controversy exceeds the jurisdictional limit specified in O.S. Title 20 § 123(A)(1), a Licensed Legal Intern may appear at a mediation or arbitration only with a supervising attorney present. (Adopted June 18, 1997; Amended April 17, 2008)
- 97-2 Under Rule 7.6(a), where a garnishment action is instituted within the jurisdictional limits of O.S. Title 20 § 123(A)(1), the Licensed Legal Intern may appear at a hearing on a Claim for Exemption from Garnishment without a supervising attorney present. (Adopted June 18, 1997; Amended May 15, 2008)
- 97-3 Rule 2.2, in conjunction with Rule 5.2(b) and Rule 6.1(f), means a law graduate is only eligible to apply for a Licensed Legal Intern license between graduation from law school and the first Bar Exam after graduation from law school. (Adopted June 18, 1997)
- 97-4 Under Rule 2.2, in conjunction with Rule 5.2(b) and Rule 6.1(f), attorneys licensed to practice in other states are not eligible to apply for a Licensed Legal Intern license as a Law Graduate applicant. (Adopted June 18, 1997)

- 98-1 Appearance at or observing the supervising attorney or a qualified substitute supervising attorney at a 341 Meeting of Creditors in U.S. Bankruptcy Court is considered “in court” practice experience. (Adopted February 9, 1998)
- 98-2 A student who has completed the four (4) hour first year course in Civil Procedure offered by the University of Oklahoma College of Law satisfies the requirement of Rule 2.1(a) for Civil Procedure I and II, because the Civil Procedure course covers the same subject matter areas as formerly presented in Civil Procedures I and II. (Adopted November 11, 1998)
- 98-3 Under Rule 2.1, a law student attending an accredited law school outside Oklahoma, in a state which does not meet the standards of admission requirements of Rule 2.1(d), may obtain a limited license if the student meets all the requirements of Rule 2.1 (including having registered and been accepted as a law student with the Oklahoma Board of Bar Examiners), and is actively participating in an approved law school internship program at either OU, OCU, or TU. (See Interpretation 2017-2.) (Adopted December 18, 1998; Amendment Approved by Committee June 21, 2017, Amendment Contingent on Oklahoma Supreme Court Approval of Rule 2.1 Amendment on February 26, 2018)
- 98-4 Under Rule 6.2, a Licensed Legal Intern who obtains a Temporary Permit by action of the Board of Bar Examiners can avoid termination of the Licensed Legal Intern license by notifying the Executive Director of the Oklahoma Bar Association in writing of the inactive status of his or her limited license by reason of obtaining a Temporary Permit. (Adopted December 18, 1998)
- 98-5 Under Rules 6.1(f)(1) and 6.2, a Licensed Legal Intern whose Licensed Legal Intern license is on inactive status by reason of obtaining a Temporary Permit and who fails the Bar Examination the first time may make application pursuant to Rule 6.1(f)(1) for reinstatement. Reinstatement petitions shall be heard by the Supreme Court Reviewing Panel. (Adopted December 18, 1998)
- 2000-1 Under Rule 6.1(f)(1), if a Licensed Legal Intern fails the Bar Examination the first time, any petition for reinstatement must be accompanied by proof that the Licensed Legal Intern has made application with the Board of Bar Examiners to take the next scheduled Bar Examination after the first failure. If the Licensed Legal Intern does not take the Bar Examination after the first failure, or otherwise fails to be admitted after taking the second Bar Examination, the Licensed Legal Intern license terminates permanently. (Adopted September 10, 2001)
- 2002-1 Under Rule 2.1 (a), “successfully completed half of the number of academic hours in a law school program leading to a Juris Doctor Degree” means that the hours must count toward the Juris Doctor Degree independent of any joint degree program in which the student may be enrolled. Any course approved by the law school faculty through its normal procedures for inclusion in the student’s Juris Doctor Degree requirements shall count toward the one-half requirement. (Adopted September 23, 2002; Amended March 26, 2009; Amended October 25, 2011; Amended January 10, 2012)
- 2007-1 For the purposes of Rule 3.4(a), the term “law firm” shall, in addition to private law offices, also include legal divisions or in-house counsel offices of private businesses, companies, non-profit organizations or public interest groups. The term shall also include the legal division or office of general counsel of any municipal, State, or Federal government entity, or legal aid organization. It is the intent of this rule that any attorney meeting the requirements of Rule 3.1(a-c), who works for the same organization as the Licensed Legal Intern, be allowed to act as a substitute supervising attorney. (Adopted June 14, 2007)
- 2010-1 For the purposes of Rules 7.4, 7.5, 7.6 and 7.7, the terms “pleading, motion or brief” do not include forms, orders or other documents that memorialize proceedings in which a supervising attorney need not be present. (Adopted May 6, 2010)
- 2012-1 If a Licensed Legal intern misses the application deadline to sit for the first available bar examination

after graduation and has been denied an exception by the Board of Bar Examiners, then the Licensed Legal Intern may petition for reinstatement by showing good cause and filing an appropriate Law Graduation application with the Executive Director of the OBA. This reinstatement petition shall be heard by the Licensed Legal Intern Supreme Court Reviewing Panel and the decision of said Panel will be final. Notwithstanding any other language in this Revised Interpretation, said Licensed Legal Intern must meet all of the other requirements to take the first Oklahoma Bar Examination after graduation from law school in order to file a petition for cause under this interpretation. (See Rule 6.1f; see also Rule 2.2.) (Adopted by Committee July 10, 2012; approved by Board of Governors August 17, 2012; Revised December 15, 2015)

- 2015-1 Rule 2.2 allows law graduates to apply for a limited license before receiving the results of their character and fitness reports, but they cannot be approved for a limited license until the results of their character and fitness reports have been reviewed and approved. (Adopted by Committee December 15, 2015)
- 2016-1 Observing the supervising attorney or a qualified substitute supervising attorney and participation, when accompanied by and under the supervision of an approved supervising attorney, at an adjudications proceeding before the United States Citizenship and Immigration Service is considered “in court” practice experience. (Adopted by Committee May 24, 2016)
- 2016-2 A Licensed Legal Intern employed by or volunteering for a prosecuting attorney shall deliver a copy of Form 2, Form 3, Form 6 or Form 7 to the judge of the district court before which that intern shall practice prior to appearing before the district court for any criminal matter. (Adopted by Committee June 28, 2016)
- 2017-1 Under Rule 3.1(a) an attorney is eligible to act as a supervising attorney for an Academic Intern and/or a Licensed Legal Intern if said attorney is employed as a professor in a law school clinical program and holds a Special Temporary Permit to practice law in the State of Oklahoma. (See Rules Governing Admission to the Practice of Law in the State of Oklahoma, Rule 2, Section 6.) (Adopted by Committee March 14, 2017)
- 2017-2 For the purposes of Rule 5.1(d)(1) and Interpretation 98-3, the supervising Oklahoma law school that agrees to administer the Legal Internship Examination to an out-of-state applicant shall first require that the applicant’s law school furnish proof that the applicant meets the eligibility requirements set forth in Rule 2.1(a), (b), (c), and (e). The supervising Oklahoma law school shall certify to the Executive Director of the Oklahoma Bar Association that the out-of-state applicant is an active participant in its approved law school internship program and shall monitor his or her compliance with the requirements for participation in its internship program under Rule 4.2. (Approved by Committee June 21, 2017, Amendment Contingent on Oklahoma Supreme Court Approval of Rule 2.1, Adopted February 26, 2018, Amended March 3, 2022)
- 2020-1 “In-court participation” shall include telephonic, video, and all other remote hearings, in the State subject to all other rules, regulations and interpretations herein.
- 2022-1 For the purposes of Rules 2.1(a), 2.1(e), 4.2, and 5.1(d)(1), while each law school may impose more stringent requirements than these rules, the only “enrollment” required for certification of law student participation in an approved law school internship program is academic enrollment in a law school program leading to a Juris Doctor Degree.
