POLICIES

Cancellations | Advertising may be canceled only by written notice received prior to the advertising deadline. You will receive a response confirming the cancellation. If you do not receive a response within two business days, please call 405-416-7018. Some email messages inadvertently get caught in the OBA's spam filter. If a frequency discount has been given and the ad is canceled prior to meeting the frequency requirement, the advertiser will be responsible for paying the difference of the two rates.

Proofs | Proofs will only be provided if requested and will be for typographical corrections only. All other changes will be charged on the basis of time occupied in making such changes.

Refusal of Ads | The Oklahoma Bar Association reserves the right to revise or reject any advertisement it considers to be objectionable or offensive in subject matter, illustration or phraseology. Advertisements promoting CLE not co-sponsored by the OBA will not be published.

Errors | The Oklahoma Bar Association will not be liable for any error in advertisements to a greater extent than the cost of the space occupied by the error. This does not apply to advertisers who provided camera-ready artwork or who have proofed copy.

BILLING

New advertisers are required to prepay for their first ad insertion. All classified advertising must also be prepaid. Display advertising should be prepaid unless special arrangements have been negotiated.

DISCOUNTS

OBA sections and committees receive three free full pages of ad space per year. If the committee or section has exhausted its three free pages of space, it will be charged at a 40% discounted rate. County bar associations, law schools and other law-related groups approved by the executive director also receive a 40% discount for display ads. The discount is applied to the rate for one ad.
