

OKLAHOMA BAR ASSOCIATION

APPLICATION FOR ASSOCIATE MEMBERSHIP

Pursuant to the Rules Creating and Controlling the Oklahoma Bar Assoc., 5 O.S. ch. 1, app.1 art. II §2 (2011 Supp.), an associate member is a member in good standing who has been deemed unable to engage in the practice of law by reason of illness, infirmity or other disability. An associate member shall not engage in the practice of law or be required to pay dues during such period.

A member in good standing, or someone on behalf of a member in good standing, can provide documentation and file a statement with the executive director that they are unable to engage in the practice of law due to illness, infirmity or other disability.

An Associate member may be reclassified to Active as set out in 5 O.S. ch 1 app. 1-A (2011 Supp.) Rule 11.1 through 11.8 of the Rules Governing Disciplinary Proceedings. If you have been classified as an associate member for **two (2) consecutive years OR LESS**, you may be reinstated by completing and affidavit and providing a statement from your treating physician indicating that you "are able to practice law" and no longer suffer from your previous condition.

I certify that:

1. That I am presently an Active Member in good standing of the Oklahoma Bar Association.
2. That, by reason of illness, infirmity or other disability, I am unable to engage actively in the practice of law as evidenced by the attached Doctor's Statement setting forth the nature of my illness, infirmity or other disability.
3. That I request my classification be changed to that of an Associate Member during the period of the continuance of such illness, infirmity or disability, such classification entitling me to all the privileges and advantages of membership in the Oklahoma Bar Association except that I shall not engage in the practice of law during such period.
