SPONSORSHIP OPPORTUNITIES

The OBA is excited for you to join us for the 2026 Annual Meeting! Network and connect with attorneys from across the state by becoming a sponsor. Several opportunities are available. See below for details on each level of sponsorship.

VENDOR TABLE – $500

Secure your presence with a basic vendor table in the conference center lobby. You'll have space to display materials, distribute information and engage with attorneys who stop by your booth during breaks and networking times.

BRONZE SPONSOR – $3,000

The entry point to real sponsorship ROI. Perfect for companies new to conference sponsorship or those testing the waters before committing to higher tiers. Bronze sponsors will also receive a vendor table in the conference center lobby.

SILVER SPONSOR – $4,500

Step up from Bronze sponsorship with enhanced visibility. Silver sponsorship gives you stronger brand recognition than Bronze, with multiple market touchpoints before, during and after the conference. Silver sponors will also receive a vendor table in the conference center lobby.

GOLD SPONSOR – $6,000

Premium visibility with guaranteed booth traffic and extended reach beyond the conference. Gold combines guaranteed booth engagement with powerful statewide visibility. Your message will reach thousands of Oklahoma attorneys long after the conference ends. Gold sponsors will also receive a high-traffic table location during the conference.

CAN'T ATTEND THE CONFERENCE? NO PROBLEM!

Get maximum visibility and qualified leads without sending a single team member. These three sponsorships are designed for organizations that want conference ROI without the travel costs, time commitment or booth staffing logistics:

COFFEE BREAK SPONSOR – $6,000
